Oasis Church Bath – Sunday Morning Service Script

Introduction and Welcome

"Good morning, my name is (name) and I'm (your role at Oasis). Whether you're here with us in the building or watching on the livestream it's great to see you. If you're new or visiting hopefully when you came through the door someone gave you a welcome pack. That contains loads of helpful information about who we are and what we do, as well as free chocolate, so we'd really encourage you to get one. Just ask someone in an orange lanyard if you'd like one, and if you're watching online there is a digital welcome pack linked in the confirmation email you received when you signed up.

We want everyone to feel comfortable and at home, so feel free to sit wherever you'd like, don't feel you have to stay seated throughout if you want to get up and wander around, top up your tea and coffee, please do so. We also have an activity table at the back for those that find it helpful to have something to keep their hands and minds busy during the service, so please make use of that at any time. If you're watching on the livestream we'd love you to participate as fully as you can, so feel free to use the comment function as you watch on YouTube."

(Introduce service content and handover to worship leader or Sofa Sunday host, add opening pause/prayer if needed)

Main Notices

(Check the Sunday plan for any specific items to highlight, or any particular notices focus for this week. On Sofa Sundays the notices come at the end of the break where people write down their questions for the speaker)

(Introduce next service content and handover to speaker/Sofa Sunday host)

Ending Notices

"That's the end of our formal time together this morning, but we do hope you'll stick around for a tea or coffee and a chat. Every Thursday we send out an email called Community News, which is the best way to stay in touch with everything we're up to as a church. If you don't receive that email and you'd like to, you can sign-up by going to the Get Involved page on our website, and filling in the connect form. If you'd prefer there are also paper copies available on the info desk.

You may have noticed that we don't have a collection as such here, but we do encourage everyone who calls Oasis their church to give financially if they're able to. You can do this in a number of ways, but if you'd like to give using cash or card today our donations box is at the back, and (name of duty team lead) is available to help anyone who wants to use the card machine. Alternatively go to www.oasisbath.org/donate for more information about the different ways you can give.

Next week… (include details about what's happening in the service next week)

Thanks for joining us and have a great week/see you next week"
